Protest march for Angela held at jail

Demonstrators carrying picket signs and shouting, "Free Angela and all political prisoners," marched around the perimeter of the North County Courthouse and Jail building in today.

The estimated 250 protest marchers carried signs sporting such diverse slogans as "Free Angela," and "Hands off Angela" and "Smash the Freeze; General Strike of Labor."

Other marchers carried placards with pictures of Angela Davis and Che Guevara, the Cuban revolutionary.

Miss Davis, awaiting trial on conspiracy, is housed in the North County jail building. The demonstration today was sponsored by the National United Free Angela Davis Committee.

Rally hears Angela's message

Angela Davis urged some 200 demonstrators Saturday not to "reaffirm the machinery of repression."

The message, written by Miss Davis during the rally and demonstration in her support, was read to the crowd by her sister, Fania Jordan.

Miss Davis, incarcerated in the North Santa Clara County Jail on charges of murder and conspiracy, also urged the demonstrators to send reading material other than romance and mystery stories to the women in the Elmwood Women's Jail in Milpitas.

Miss Davis also said that "I can feel your love, strength and determination to set me free."

The message from Miss Davis was the high point of the rally Saturday afternoon in which the demonstrators paraded around the jail and courthouse building shouting, "Free Angela and all political prisoners," and other slogans.

Miss Davis's trial is scheduled to start Jan. 31.

- April 1. During Holy Week, the week in which Martin Luther King Jr was assassinated, there will be regional actions at Harrisburg, Pennsylvania (the site of the Berrigan trial) and at San Jose, California (The Angela Davis trial) against repression of anti-war and radical movement and individuals in the US.
- April 15. Nation-wide local actions against the costs of the war, including resistance to tax-payments for the war.
- April 22. National mass actions in New York and Los Angeles to demand an unconditional end to US involvement in the war in Indochina.
- May 1-15. A series of local actions including rallies, lobbies, and civil disobedience at the centers of the war machine, at Federal buildings, at corporations manufacturing for the war, and support for active duty GIs who refuse to participate in the air war.

This campaign will lead up to the Democratic Party Conventino at Miami on July 9 and the Republican Convention in San Diego on August 21.

It is essential that this American campaign be coordinated with the entire international war movement so that the full wieht of international outrage can be brought to bear on Nixon and his policies.
